Tim & Lanny's Auto · Thirsty's

## MANAGERS MEETING

Will be held in early April. Team rosters will be handed out, Manager Manuals given out, practice times will be drafted, and All-Star game division assignments made. If you are interested in being a Kearney Little League Manager or Assistant Coach please let us know by e-mailing us at: [coaches@kearneylittleleague.org](mailto:coaches@kearneylittleleague.org)

## GAME UNIFORMS

A colored uniform shirt bearing the team sponsors name and a hat, both which can be kept after the season, are provided to each player in the evening program as part of your registration fee. These must be worn to all games and will be handed out before your first game. Players must provide their own **WHITE** baseball pants.

For Daytime program players Kearney Little League provides a uniform shirt. This is to be worn to all practices AND games and is kept by the player at the end of the year. Players wear their own hats. Baseball pants are optional.

## THE SEASON

Practices for the evening program (9 through 15 year-olds) begin in mid-April and will be set and announced by the coaches. Before the season starts a weekend and weeknight practice will be held each week. During the season the only weekly practice will be the weekend one.

Regular season play for the evening program will begin in the middle of May and end in early July. The specific schedule for each team will be available on the web-site and distributed to players by the coaches. All evening program divisions 10 year old and up feature an All-Star game at the end of the season. Tournament teams are picked from the All-Star rosters to represent Kearney Little League in District, State and possible National Little League competition.

The Daytime program for 6, 7 & 8 year-olds will begin in late May and end in early July. Team assignments, uniform shirts and schedules will be handed out at your first game. Coaches will call to let you know what day you start.
